

Minami Koma

FRONT-END DEVELOPER

SUMMARY

Front-end developer with a background and passion for user experience and interaction design and strength in creative and strategic thinking. Learning and growing as a developer is important to me and I am currently working on multiple front-end projects. I am excellent at working in teams and enjoy collaboration with peers. I am also confident in the development of the front-end for e-commerce sites and will do my best to deliver modern interfaces.
